TYPE OF INSTALLATION:

EXCAVATION SHOULD BE MADE IN ACCORDANCE WITH THE FOLLOWING CONDITIONS:

It is hereby provided and agreed that the above named party or parties to whom this permit is issued will do and perform all work in connection therewith in a workmanlike manner, and will restore all areas according to the specifications as set forth by Village of Arlington Code of Ordinances Sections 6.06 and Section 6.07. It is expressly provided that the person or persons for whose use may benefit from this permit is not authorized to occupy said street right of way, except in conformity with provisions of the Ordinances of the Village of Arlington, and by accepting this permit, be agreed that she/he will be liable for, and hold the Village of Arlington harmless for any and all damages that may occur or result in consequences of the construction, excavation or occupancy of said street right of way therein and shall put up and maintain such barriers as will effectively prevent the occurrence of any accident in consequence of such occupancy, use or excavation of the street. The Applicant agrees to accept all stipulations set forth in Village of Arlington Code of Ordinances Sections 6.06 and Section 6.07.

Written proof of public liability insurance of not less than \$500,000.00 per one person, per one accident and \$1,000,000 in property damage coverage must be provided to the Village. A surety bond of no less than the actual cost of the proposed project plus 20% for administration shall also be filed.

This permit is valid for a period of thirty (30) days from date of approval, except as provided for under Section 6.07(g) for pavement replacement.

I have reviewed Village of Arlington Code of Ordinances Section 6.06 and Section 6.07 and agree to the above conditions:
